With reference to your letter dated 26/06/2025 regarding issuing of structural stability certificate of school building, an application form submitted along the requisition letter has been evaluated fully and found that Panchayath Raj Engineering, Sub Division, Challakere, have inspected the Building On 09/01/2016 and have given the building completion certificate and S.J.M. Institute of Technology, P.B.No-73 NH-4 Bypass, Chitradurga-577501. has given structural stability certificate for Ground and First Floors on 26/06/2025.

An inspection of Akshaya International School (Under Vedavathi Education Trust) has been carried out according to the Govt. circular mentioned in Ref. (2) on 26/06/2025 and following observations were made.

1. Building consist of 2 floors (Ground and First).
2. No Dampness cracks and water leakage from the roof has been found.
3. Ramp and railing provided for physically handicapped students

Based on the evaluation of the application proforma, documents submitted along with the application and observations made during the inspection Akshaya International School (Under Vedavathi Education Trust) has apparently found structurally stable and safe. And hence according to Govt. circular mentioned in Ref.(3) the structural stability certificate has been issued for 01 year with a condition of regularly maintaining a building to comply with the National Building Code Rules.

\*Note: This structural stability certificate is valid for 01 year from the date of issue.

Yours sincerely,

Assistant Executive Engineer,  
PWD Sub Division, Challakere
